

ASMAR WOOD PANELS
INNOVUS PANELS

ABOUT

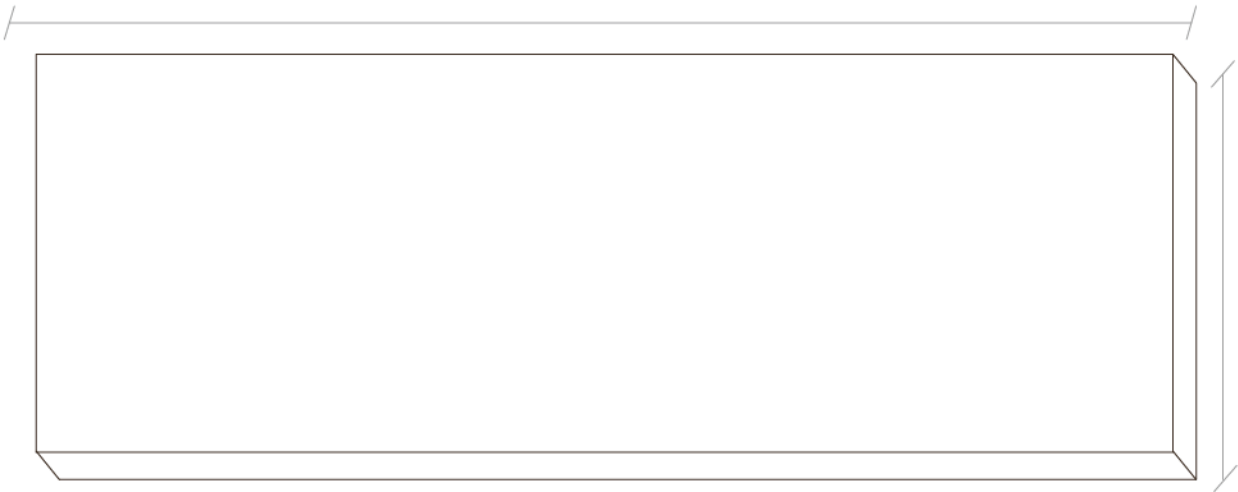

Innovus® is produced with sustainably sourced and recycled wood. The collection offers a complete decorative range for flexibility and your ever-evolving design needs. Innovus® inspire durable and versatile spaces with a timeless appeal. Our solutions include a set of features, such as fire retardance, moisture resistance, anti-fingerprint and antibacterial properties, as well as presenting low formaldehyde emission levels

Properties

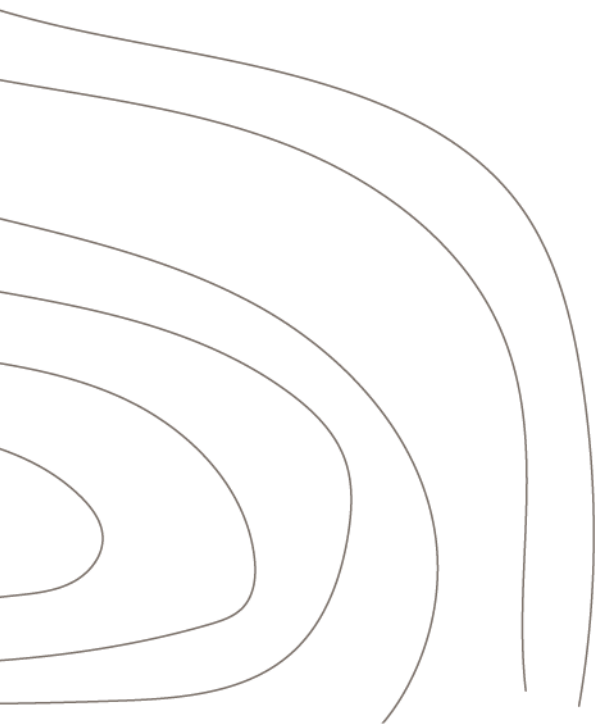

- Abrasion resistant
- Antibacterial
- Anti-Fingerprint
- Antistatic
- Antiviral
- CARB2/EPA
- Deep routing
- Dimensional Stability
- Durability
- Easy to Clean
- Easy to mill
- Fire retardant
- High Gloss
- Light Resistant
- Low emissions
- Moisture resistant
- Postformable
- Scratch Resistant
- Stain Resistant
- Versatility
- Vertical applications

DIMENSIONS

WxLxH 1.8cm x 280cm x 207cm
